HOW TO The hat is worked in two parts which are joined together later.

Part 1:

CO 24 sts and work in half brioche st for 23 cm. In next RS row work as follows: *k 1, sl 1 on dpn and hold at back; rep from * to end of row. Now you have 12 sts on needle and 12 sts on dpn, leave the latter on holder. Continue working the 12 sts on needle in stocking st for 4 cm, beginning and ending with a WS row, then leave sts on holder. Turn work and resume working the 12 sts on dpn, work in stocking st as given, but beginning and ending with a RS row. Turn work once more and join the two parts as follows: align the two needles, then alternately k 1 st from needle and 1 st from back needle (= 24 sts). Work 23 cm more in half brioche st, then BO all sts.

Part 2:

CO 24 sts and work in half brioche st for 23 cm. In following RS row k2tog throughout (= 12 sts). Continue in stocking st for 4 cm, starting and ending with a WS row. In next RS row *k 1, m 1; rep from * to end of row (= 24 sts). Work 23 cm more in half brioche st, then BO all sts.
